Chapter 2 by Cat4055

"A giant Bug-Bear Attacked the village!" I said.

"No, that's already been used." Larson said.

"Oh, how 'bout we do an evil cult that's trying to take over the world?"

"No, we used that in The Cutie-Map."

"Um, gak comes back and tries to swallow all the treasure?"

"No, no, no, we used that in a Discord episode."

"Well, we know it has to be something that started 1000 moons ago."

"Yes."

"And normally it's about a myth."

Chapter 3 by SaintSayaka

The ponies sat on their animator's tablets, waiting for the breath of life and Flash to kick in. It wasn't so much a question of how life was in Ponyville; it was a question of whether there would BE life in Ponyville. Larson was being particular critical and careful with his storyboards today, as if anticipating a backlash from the fandom. He had always been particular good at predicting those types of things, his sync with fandom ebb and flow as natural as a circadian rhythm.

Chapter 4 by Lainey Baum

After 4 months they relized....that they should just end this My Little Pony series.And so they made one last episode about twilight leaving ponyvill FOREVER.Over the years the 5 other ponies had grown to hate each other. THE END!!!

Chapter 5 by pinky102368

Little do they know, that wasn't the end...not yet. Larson had another plan up his sleeve...GET LAUREN FAUST!

Larson set up a private meeting with Lauren Faust, the creator of My Little Pony:Friendship is Magic. Would she come back and try to bring the series back to life? Or will she just create another generation? Will she not do anything at all? Only time can tell...

Chapter 6 by Damian
